

Imperial CEO Sweet Sweet Love Chapter 131 To 135

Chapter 131

Gu Ziming quickly left the Internet bar. Fortunately, the Internet bar he was in was at the back door of the school, while the old lady Gu was at the front door of Ningcheng University.

Gu Ziming used the fastest speed to change clothes in the dormitory. After staying in the Internet bar all night, his whole body smelled very bad.

It's almost lunchtime at this point of the school. Many students have left school to go to their dormitories. Gu Ziming hurries to the school gate. As he runs, he sees the girl walking in front of him. He is stunned. Suddenly he feels something wrong and stops.

"He an?" Gu Ziming thought indefinitely.

He turned around and looked at the girl's back, which was exactly the same as the appearance of the racetrack, but Gu was sure that this girl was he an.

Thinking of he an, Gu Ziming naturally thought of what she had done to him.

Wearing a mask and dancing with underpants is definitely the most shameful thing in his life.

Su An'an looked curiously at the boy who stopped him. The boy was familiar with her, but he was one of the ones who had been refused a few days ago.

"He an."

The name?

Suan looked at the boy in front of her again and remembered.

It's not that she and Xiao Xin have finished dancing in underpants. Who is it?

Gu Ziming's T-shirt and slacks, where is the gangster appearance that he ran into in the racetrack and the sales Grottoes before? Look at his three good student appearance, no wonder she can't remember who he is at once?

"I'm sorry, you've got the wrong person." "I'm not he an," she said with a smile

Her name is not he an. Her name is Su an.

Gu Ziming looks resentful, obviously looking for he an to settle accounts. Su an is not stupid. How can he not see it? Besides, she's a good girl now. She hasn't played with racing.

"Hum." Gu Ziming can't be fooled by Su An'an. He snorted coldly and said grudgingly, "you turn into ashes, and I know it."

To make him look ugly in front of so many people, the most important thing is that he didn't lose at all, where is the matter of undressing and dancing.

"Is it?" Su an an smiles, "but this classmate, I really don't know you."

Su an an insists that he and Gu Ziming don't know each other. "Do you recognize the wrong person?"

"People are similar. You recognize others as me."

How could Gu Ziming mistake he an in front of him? He has been looking for her to settle accounts.

"Don't pretend, he'an." Gu said displeased.

Su an an looks at Gu Ziming's stubbornness and pain in her hair. She raises her wrist and looks at the time. Just now, Gu Mocheng called and said that the old lady was waiting for her at the school gate.

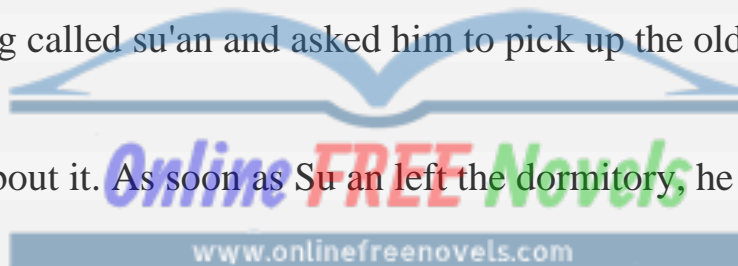

Old lady Gu waited for Gu Ziming at the school gate for a long time. She didn't see anyone else, but first waited for Gu Zhen's phone call.

Gu Zhen guessed that she went to Ningcheng University and asked her to come back. She said she had to see her daughter-in-law today, or she would not go back to her old house.

Gu Zhen can't help but call Gu Mocheng.

So Gu Mocheng called su'an and asked him to pick up the old lady at the school gate.

I didn't think about it. As soon as Su an left the dormitory, he ran into Gu Ziming.

"All right." Su an anxiously goes to the school gate to find the old lady. Seeing Gu Ziming's appearance of asking her to repay her debts, she can only admit it first.

"I am he an." "What do you think of me?" said Suan

What do you want? Asked by suan'an, Gu didn't know how to answer.

He didn't think about how to make Suan? Dancing in a mask or running naked?

"You don't want me running naked in school." Asked Suan.

They used to bet that whoever lost was running naked.

But su'an is a girl. She runs naked. Gu Ziming feels that she is not happy.

Then I thought that I had been given a hole by Suan, and I felt that she had to fulfill her promise.

Not waiting for Gu Ziming to return to her, Su an said first, "it's OK to run naked. But last time we bet who lost and who ran naked. "

"I didn't lose and you didn't win."

Said Suan calmly, listening to Gu Ziming nodding.

After he nodded his head, something went wrong.

He didn't think of the wrong place at once.

"Well, the clothes I'm wearing are not suitable for racing. I'd better go up and change clothes and go to the racetrack with you."

Su'an suggests that Gu Ziming looks at su'an and thinks that her long dress is really not suitable for racing.

Seeing that Gu Ziming was still thinking, su'an followed and said, "wait for me below. I will come down soon."

"Good." Gu Ziming didn't think it was wrong. He replied.

Suan smiled at him and said, "wait for me, don't take the chance to run away."

Su An'an waved to him and walked into a dormitory in front of him.

Su'an entered a dormitory at will, which is connected with another dormitory, so there is more than one door in the dormitory. Su an an went in and came out of the other dormitory door. She hid in the dark and saw Gu Ziming standing at the door of the dormitory, smiling. Gu Ziming had to say that it was true. He didn't know whose children were taught so stupid.

She didn't know where old lady Gu was, and Gu Mocheng didn't leave her old lady's phone number.

She had to call Gu Mocheng and look around to see if there was an old lady.

"Honey, I'm at the school gate." Su'an gets on the phone with Gu Mocheng. When he speaks, he can't help being gentle.

"I didn't see my mother."

"I'll tell you her phone number, and you take it down." Gu Mocheng said that he didn't want su'an to contact Mrs. Gu, but she is old. Don't say that Gu Zhen doesn't trust her to wait for su'an at the gate of Ningcheng school. He is also worried, or he won't let su'an come out to pick up people.

"Please send me the number via wechat." Suan suggested.

"Wechat?" Gu Mocheng is stunned, obviously he hasn't played with this thing.

When Gu Mocheng was thinking about it, he heard Su an's scream.

"Who are you? Let me go!"

Su'an's flustered voice came to Gu Mocheng's ear, followed by the sound of his mobile phone hitting the ground.

Gu Mocheng listened deeply. He could not care what he said to the phone. He immediately got up and walked out of the door.

Gu's department managers are reporting to him, and Gu Mocheng has no intention of listening. He made sure that something happened to Suan.

While leaving, Gu Mocheng called the old lady.

Old lady Gu was waiting in the car for Gu Ziming to pick her up, but after waiting for a long time for the figure of Gu Ziming to appear, she received a call from Gu Zhen.

Gu Zhen is very angry at her unauthorized action, scolds her and finds Gu Mocheng for her.

Mrs. Gu doesn't feel that she made a mistake. On the contrary, she feels that only by acting without permission can she let Gu Mocheng's daughter-in-law come to see her.

She is not worried about her daughter-in-law. She came here to have a look.

The old lady has been sitting in the car for a long time. She can't stay. She takes her bodyguard to the small shop at the school gate and sits down.

An old lady with two tall bodyguards scared the people in the shop. However, considering her age and her sweet mouth, she would talk with the shop assistant for a while.

She suddenly heard the movement at the school gate. At the top of her eyes, she saw her daughter-in-law surrounded by several big men. Then she saw a man reaching out and smashing Su an's mobile phone.

Su'an is fighting to death. Her little Kung Fu is useless for several big men, let alone they are trained.

"Go and protect my daughter-in-law." Gu said anxiously, asking the bodyguard to help Su an.

Chapter 132

When she met a group of people who attacked her suddenly, her first reaction was to struggle and escape.

However, she tried her best to fight with them, but she could not escape their siege. In a short time, she was scratched and her arm hurt very much. In order to let her walk with them obediently, she punched Su An'an in the stomach again.

Su An'an suffered from pain and fell over her shoulder. Her hands were caught by them again. They dragged her, and she watched helplessly as she asked them to drag them into the car, and suddenly two men ran out.

Su'an was thrown to the ground by them. She got up from the ground and kicked the man who had just hit her.

She is used to fighting. This pain is nothing. They beat her. How can she return it when she has a helper.

The group collected the money and thought it was very easy to tie up a little girl at the school gate. Unexpectedly, the little girl was very fierce. After a long time, they dragged people into the car and ran out of the car with two

men to fight them back.

Suan looked at the car and listened to the old lady's voice.

"Ann, Ann." Old lady Gu rushed out.

She came up and grabbed Suan's hand. "It's not hurt," she asked anxiously

Suan shook her head. "It's OK."

How could it be ok? Old lady Gu was frightened when she saw the fight. Especially when her daughter-in-law threw a big man over her shoulder, she was surprised.

This, look at the clever girl, fight to fight so fierce, strange scary.

What's more, I don't think the little girl often fights. Her face and hands are bruised. She's OK.

"Ann, mom will take you to the hospital." Old lady Gu said, holding su'an's hand, she saw that the East was blue and the West was blue and purple. How could there be blood on the back of her hand?

"Blood!" Old lady Gu said a word, and su'an thought of old lady's blood fainting, and turned her back on her hand, so that she could not see it.

The back of this hand was just dropped on the ground carelessly and was ground by the stones on the ground.

"Mom, I'll help you to sit in the car." Su'an hurriedly helps the dizzy old lady Gu to get in the car.

Old lady Gu is shaking in front of her eyes. If she wants to have a look at su'an's back of hand, she must be dizzy.

In the car, Mrs. Gu lay down and had a rest. She felt more comfortable.

She is determined to take suan'an to the hospital. It's strange that the little girl is beaten like this. Why doesn't it hurt?

She didn't know that when su'an was in junior high school, there was a fierce fight. No one dared to bully them with Fu Xin.

There is no one to protect them, they have to be strong to protect themselves.

Gu Ziming foolishly waited outside the girls' dormitory for a long time. After waiting too long, he did not see he an come out, so he went in by himself.

There are rules in girls' dormitories. Men are not allowed in.

Gu Ziming is stopped at the gate of the dormitory by his aunt. He says to find he an. She helps him to open the records of the dormitory staff. There is no such name as he an at all.

There are a few who have the surname he, but they are not called he an.

Gu Ziming remembers that they who go to speed racing don't use their real names. He even believed he an's lie and waited for her at the door of the dormitory for half an hour.

Gu Ziming responded that he an cheated him. She didn't go to the dormitory to change clothes and compete with him. As soon as she entered the dormitory, her people ran away to another exit.

He's the only one who's stupid. I believe it.

Gu Ziming angrily went out of the girls' dormitory, thinking of waiting for his old lady Gu at the school gate.

He ran to the school gate panting, and did not see the old lady. When he called, he was scolded by the old lady before he spoke.

"Where have you been, you stinky boy?"

"But for you, how could your second aunt have been beaten?"

As Mrs. Gu said, she thought it was Gu Ziming's fault. She scolded Gu Ziming so confused that she would have nothing to do with his second aunt if she went late.

Second aunt? By the way, he remembered that his second uncle's wife and he were in the same school.

"Your grandfather already knows what happened today. You are waiting for him to clean you up." Gu Laofu said angrily, turning her head to look at su'an beside her, thinking that su'an was besieged by a group of people, her heart began to ache.

If she had not run into her own, her daughter-in-law would not have suffered more crimes and would have been beaten and maimed.

The group didn't know where they came from, so they ran to the school gate to catch her daughter-in-law.

"Your second aunt is OK. If anything happens, I must ask your grandfather to peel you off."

"Every day I know that I don't do anything serious when I'm racing and fighting with people." Gu's words made Su an feel like scolding herself.

Just in time, what she knows most is these two kinds.

"Grandma, didn't you come to see me today?" Asked Gu Ziming.

Old lady Gu took her mobile phone and snorted, "what's your good-looking son?" "I came to see your second aunt."

Said Gu, holding su'an's hand in one hand. "Your second aunt is much more obedient than you. Just like you, your grandfather should see and beat him once."

"I'll tell you that you hurt your second aunt today. You wait to be beaten. "

Said old lady Gu to hang up the phone, one side of suan'an listen to a Leng a Leng.

Where does grandma think her grandson is beaten like that? Gu Ziming is miserable.

Su'an is relieved to think that she must be obedient. If the old lady knows that she likes racing and once fought with others, she must be beaten.

Look at Su An'an and look down. Old lady Gu thinks her tone scares her. She says softly, "Ann, don't be afraid."

"Zi Ming is not as clever as you. Your father deserves to beat him."

Old lady Gu naturally said that the injury to suan'an was caused by Gu Ziming.

Suan nodded and had to agree with the old lady.

Gu Fucheng and his wife called before, and the old lady scolded Gu Fucheng, saying that he could not protect his wife, and cried to take suan'an back to the old house for protection.

Gu Mocheng didn't say a word. He asked them to go to the hospital where they were.

Su'an suffered from a skin injury, nothing serious. But old lady Gu is very nervous. She must stay in the hospital for a few days.

Su'an is helpless and embarrassed to refuse, so she has to wait for Gu Mocheng to come.

When Gu Mocheng came, he pushed open the door of the ward, jumped over Mrs. Gu directly and went straight to su'an.

"What's the matter?"

Gu asked. He was always calm. When he heard something happened to suan'an, he was flustered. He left Gu and rushed out.

"Nothing."

Seeing Gu Mocheng smiling, suan'an shook her head and said.

Gu Mocheng looks down at the bandaged place on the back of her hand. Before he asks, old lady Gu takes over. "How can it be ok? It's bleeding."

When it comes to "blood", I feel dizzy.

"Chengcheng, you are not responsible for Ann. Make money every day. When I was young with your father, I was virtuous. Did I earn all this money? "

"Are we short of money at home?"

Gu said angrily, thinking that su'an was beaten by a group of men, he blamed su'an.

"Who is it?" Gu Mocheng asked Su an in a calm voice.

Looking back, Suan suddenly stopped in front of her and ran out of the car. Four or five men jumped out of the car and dragged her to the car.

Fortunately, she was used to fighting. Her first reaction was to fight against them and try to escape.

"I don't know." Suan shook his head. "I don't know them."

She's pretty good recently. She hasn't been besieged for a long time. Did her former enemy come to seek revenge?

It's impossible for suan'an to think about it. At first, those people have been fooling around for a long time in the society, and the objects she used to fight with were all students or little gangsters who just joined the society.

"Cheng Cheng, have you offended people recently?" Old lady Gu asked Gu Mocheng.

Gu didn't answer the old lady's question immediately. He really offended a

lot of people in business because he was ruthless. But they are afraid of the forces of caring for their family. No one dares to provoke caring for their family and bully him on the head.

But no one will retaliate.

Last time, he said that su'an was his wife in front of so many people at the wedding banquet of mujinyu and Su Zihan.

He was afraid that the incident would affect Ann's study and life and didn't let the press release it.

So not many people know that Suan is their wife.

Who on earth is the hand to Suan?

"It must be you." Old lady Gu said, "it's almost like your father. He always offends people and then his wife and children."

"Otherwise, just like your father, you can hook up with women outside, and others will vent their anger on ANN." Old lady Gu thinks this is the case. She used to get revenge from other women for Gu Zhen.

In any case, what happened to suan'an was that Gu Mocheng did not protect her.

What the old lady said, Gu Mocheng did not refute.

Mrs. Gu sat for a while and got up wisely to leave the space for su'an and Gu Mocheng.

In the ward, the two of them, Gu Mocheng, looking at the back of su'an's bandaged hand, asked, "where else have you hurt?"

Su An'an lifts up her sleeves. Her wrists are all the marks of a man's fingers.

There are several bruises on her wrists, which make Gu Mo Cheng frown.

"And a punch." Said Suan, lifting up her coat.

She has more purple color on her white belly, and Gu Mocheng is more upset. Who is the heavy hand to Ann!

Su'an likes to watch Gu Mocheng worry about her expression. She looks at his frown, and the displeasure in his eyes. She smiles happily.

No one can laugh as happily as suan'an.

"Husband, are you worried about me?" Su'an stood up, looked up and said to Gu Mocheng with a smile.

She remembered that Gu Mocheng was in a panic when he just pushed the door in.

She likes his flurry.

"Still laughing." Gu said, "doesn't it hurt?"

Su an an shakes her head, smiles and pours into Gu Mocheng's arms. "When I see you, I don't feel any pain."

Originally, it was OK. It wasn't as exaggerated as the old lady said. She had to be hospitalized for examination.

I heard Gu Mocheng's suan'an's soft words. The little girl was more and more afraid of him. However, he was very affected by her coquetry and flirtation.

Su an an then light smile, "in fact, when they hit, or quite painful."

Su An'an can bear this pain. She just wants to be soft and weak in front of Gu Mocheng and make him care about himself.

She didn't want to pretend to be strong in front of her men. When they besieged her, she was really afraid.

That group, she's not their match.

"Husband, if something happened to me, would you worry about me?" Su'an asked, feeling the heartbeat in Gu's chest.

Gu Mocheng looked down at the girl's serious expression. He couldn't help but soften his voice. "Fool."

If he didn't worry about her, how could he hear her scream and leave the department managers behind and run to find her.

This is his wife, the girl he loves.

Gu Mocheng's "fool" tells Su'an the answer, and Su'an thinks it's worth it to be beaten.

Because she knows, Gu Mocheng cares about her very much.

"Husband, don't worry, they can't bully me." "I'll protect myself," she said

If she was really captured by these people today, she would be killed by them.

Gu looked at suan'an in his arms, and he could not help but bow his head and kiss her.

Holding in the arms is very solid, kiss down to know that they have.

He was afraid of su'an, and even more afraid that su'an would take his own life to fight against each other.

After a lingering kiss, Gu Mocheng looks at suan'an's flushed cheek. He hugs her and tells her gently in her ear, "if something happens in the day, don't rush to fight with others and save your life for me to come."

"Human presence is more important than anything."

No matter if she arrives one day or not, su'an listens to Gu Mocheng very carefully now. She nods her head, "en en."

"Husband, you are right about everything." She smiled, and then looked up to see Gu Mocheng's mouth slightly raised, also smiling. Then she stood on tiptoe and kissed Gu's lips.

Her favorite thing to do now is to kiss her man.

Gu Mo wants to let the little girl have a good rest, but she doesn't want to tease herself again. When he kisses her, he can control his lust. Suan kisses him, and his desire is ignited.

"Ann, that's how you like to flirt with me?" Gu asked, holding suan'an in his arms.

Suan blushed and smiled. She replied, "I won't flirt with anyone except you."

Little girl's flirting ability is very strong, even the 30-year-old Gu Mo Chengdu is not her opponent. Gu Mocheng looked at her with deep eyes and bowed his head and kissed her.

The kiss didn't end so quickly. Gu Mocheng held her for a long time. Later,

the first two people were tired of kissing each other and rested on the bed.

Su An'an doesn't like being in hospital. She hates the smell of disinfectant in the hospital.

Maybe when she was a child, her mother died in the hospital. She was afraid. Although she was very young at that time, she had no memory of her mother.

"Honey, I want to go home."

'she just had a skin injury,' she said.

"Stay in the hospital for one night and leave tomorrow." Gu Mocheng said uneasily.

He just saw the purple mark on suan'an's abdomen. He was not sure that she would not be beaten.

Wait until tomorrow's report comes out.

"But I don't like living in a hospital." Said Suan.

She said and raised her head and kissed Gu Mocheng's cheek. "Husband, let me go home."

If Gu doesn't let her go back, she kisses him constantly.

Gu Mocheng looked at her pitifully, and was disturbed again by her kiss. If it wasn't a hospital, he'd run her straight now.

Let the little girl keep teasing him!

"No." Gu Mocheng said firmly.

He is not at ease without a night. I don't know if that punch hurt her internal organs. Gu Mocheng's face is calm, and su'an dare not kiss him.

She was afraid of his angry look.

"But the hospital is really stuffy." "It's impossible to bribe with kisses," said su'an pitifully, "I'm bored in the hospital alone, and the hospital is terrible at night."

"Honey, I'm afraid." Su an looks at him pitifully, and makes Gu Mocheng want to laugh.

She looks like a poor kitten.

"No way." Gu Mocheng smiled and said that he could not bear to see Su an's head lowered in his arms.

www.onlinefreenovels.com

He lowered his head in her ear and whispered, "I'm here with you."

"There's nothing to be afraid of. I'm here."

Chapter 134

Gu Mocheng's voice was soft and powerful, and Su an laughed happily. With him, she would stay in the hospital for one night.

"You said, I have to accompany you." Said Suan.

"Yes." Gu Mocheng replied.

"Not a step away." She added conditions, saying.

Gu Mocheng smiled and her lips fell to her ears. The voice came to su'an's heart like the wind.

"Well, it's all yours."

Suan raised her head, looked at Gu Mocheng's outline, and couldn't help kissing his lips again.

In the afternoon, I didn't know what happened to Gu. Gu Mocheng was busy answering the phone, and later called to deal with the business until very late.

In fact, she has no problems. She doesn't want to live alone in the hospital, so she lets Gu Mocheng accompany her.

"It's OK," Gu said.

If he promised her, he would.

She felt that she was somehow moving towards a spoiled rhythm.

Will she be spoiled by Gu Mosheng one day.

When she got up in the morning, she saw Gu Mocheng sleeping. Knowing that he was too busy last night, she came out of his arms slowly.

She took advantage of Gu Mocheng to sleep and bought him some food near the hospital.

Just now, I searched the Internet and saw the post bar saying that there is a delicious soup filled bag downstairs of the hospital. Suan was greedy at the sight.

She walked out of the ward and came face to face with the nurse who examined herself yesterday and smiled at others.

The nurse was chatting with her colleagues. She said hello to Suan and went on talking.

"The girl's husband is so handsome."

"It looks very rich. The main thing is that her husband is very kind to her. After the girl came in yesterday, the doctor said it was OK. Her husband must let her stay another night. "

"No, her husband moved his work to the hospital."

The nurse said enviously, it's really happy to find such a husband.

Not only handsome, rich don't say, most of the wife is very pet.

This is about Su an and Gu Mocheng. They think of the patients in another VIP ward.

"Sometimes, there is no comparison between people. You see Mr. mu in ward 304. Although his wife is here every day, she doesn't do any work. They often quarrel for something. "

"I didn't want to go to that ward to take care of him."

Suan went away and didn't hear what the nurse said. Even if I hear it, I don't want to take care of other people's affairs, because she has enough happiness.

It's true that the online evaluation is correct. There is a long line at the door of the dumpling shop downstairs. Su an waited a long time to buy it.

She packed the soup pouches and couldn't help but eat one first. It's really delicious. Then she took them to the room to go with Gu.

Suan came out of the elevator and happened to meet Madame mu.

Madame Mu looked up and saw suan'an. She changed her disgusted expression and smiled.

"Ann."

She cried with a smile, and went forward to hold suan'an's hands warmly.

"Auntie didn't see you for a long time. She really missed you." Madame Mu said with a smile that she seemed to forget that she had just met Su An'an at her wedding in mujinyu, and that she had forced Su an to back out of marriage before, almost because of Su Zihan's miscarriage.

Su'an is not comfortable with Madame mu. Did Madame Mu suffer from amnesia?

"Madame mu." Su An'an took out her hand and said with a light face.

Madame Mu lost her memory, but she didn't forget anything.

Madame Mu and Su Zihan must send her to the police station. To this day, Su an still remembers how Madame Mu and MOJIN forced her at Mu's house?

Su'an opened the distance between them with a sound of "Madame Mu". The smile on Madame Mu's face froze.

Madame Mu knows that su'an has a grudge against her. "An'an, it's all my aunt's fault. I believe the wrong person."

As she spoke, Madame Mu sighed. It's really self inflicted. It's su Zihan and

Jiang Mei who are two difficult characters for Jinyu.

Jiang Mei forces Mu Jinyu and Su Zihan to divorce for the time being.

Su Zihan accompanies mujinyu in the hospital every day. She does nothing. She says she accompanies mujinyu. She has changed her place to play mobile phone.

Quarrel Jin Yu sleep don't say, she says a word more, Su Zihan top her a word.

Madame Mu was so angry that her chest was stuffy, and she had no choice but to take Su Zihan.

"Ann, can you forgive my aunt?" Madame Mu looked at suan'an and said softly.

"My aunt used to be blind, but she thought Su Zihan was good."

She saw Su An'an didn't speak, and then she said, "An'an, actually Jin Yu didn't want to be with Zihan at that time. His heart has always been you, my mother is not good, must let him marry Su Zihan. Madame Mu is more and more dissatisfied with Su Zihan. She wants to go back and forth, but she is still su'an's best.

Obedience, and no background, into the Mu's door, will never be like Su Zihan with Jiang's gas.

I really regret to die. How did I choose Su Zihan to enter the door!

"Ann." Madame Mu smiled and said, "if you come to Mu's house to play more, your grandfather will be very happy."

Madame Mu moved out of the old man, "he is a very old man. He wants you to be with Jin Yu."

"That's what your uncle and I mean."

Madame Mu's words, su'an can't listen to her, she said, "Auntie, Mu Jinyu and Zihan elder sister have got the certificate. You can't let me see my lover."

When Madame Mu heard this, she thought that Su an liked Mu Jinyu in her heart. It's just that Mu Jinyu and Su Zihan are married. She can't interfere in their marriage.

"Ann, don't worry. Your uncle and I are on your side."

"I think you are my daughter-in-law." Madame Mu said with a smile, reaching for su'an's hand again.

Suan walked away and stepped aside.

"Thank you, Madame mu. But I'm not interested in your son."

The MOJIN family knew the real face of Su Zihan and immediately turned to find her. Su Zihan is not a good man, neither is mu Jinyu.

"Actually, brother Jinyu and sister Zihan are very good together." That's what Suan felt from the bottom of her heart.

The two of them match very well. Su Zihan is selfish and Mu Jinyu is not the same.

It's not how a family can get in.

"I wish them well, and I hope sister Zihan will give you a grandson earlier."

Su'an's words are very comfortable to hear from Madame mu. She heard that su'an followed Gu Mocheng for money.

Gu Mocheng has seen it before. She hasn't.

From the mouth of Su Zihan, I know that Gu Mo grew up ugly, so this Gu Mo must not be as good-looking as Jin Yu.

"Ann, Auntie really likes you." Madame Mu said, before she finished speaking, su'an took over with a sneer, "since my aunt likes me very much, how did she force Mu Jinyu to break up with me before?"

Isn't that a contradiction?

Madame Mu had nothing to say in response to su'an. She smiled awkwardly.

"Ann, I'm sorry. My aunt used to be confused."

"When you are with Jinyu, my aunt will not object." Madame Mu said, mentioning the matter of su'an and Gu Mocheng. "Neither your aunt nor your uncle will care about your past. Who didn't make a mistake before the marriage. "

"It's true that I haven't experienced a bad man before. How can I find a good man?" Suan nodded in agreement.

Slag man, it's Mu Jinyu who scolds.

Chapter 135

Madame Mu heard the irony in su'an's words, "An'an, although the Mu family has no money, Jin Yu really likes you. Your uncle and I will love you as our own daughter

In the past, su'an believed in Madame Mu's words.

At that time, she was very naive and thought that Madame Mu was really good to herself. But after mujinyu's back and Su Zihan's back, she believed that the mujin family was strange.

"Auntie, I still like rich men." Suan replied with a smile.

"Ann, what are you doing?" Madame Mu was astonished to hear Su an's words.

Su an an's smile was stronger. "Madame mu, do Mu's family have money?"

She went on, in the shock of Madame Mu's expression, "I don't think so."

"So then, I still like Gu Mocheng, the old man."

At the wedding ceremony of mujinyu and Su Zihan, Su Zihan and Jiang Mei were the two people who saw Gu Mocheng. Looking at Madame Mu's expression now, I don't know that Gu Mo grew up ugly but pretty.

"Ann, don't choose the wrong person." Madame Mu reminded me.

Su an an even gave up their family Jin Yu for money.

"We Jin Yu really can't compare with Gu Mocheng, but Gu Mocheng's age, will he treat you well? He's just playing with your feelings. " Mufu said angrily, thinking that su'an has no eyes, and even chose Gu Mocheng for the money.

"I like the older ones." "He's very old, he's experienced, he won't be fascinated by the foxes outside, and he knows how to take care of people," she said

"The main thing is that he has a lot of money to spend on me, and I like the old and rich Gu Mocheng." Su An'an opened his mind to Gu Mocheng.

"Ann." Madame Mu was annoyed at the bottom of her heart. She snapped and said, "one day, Gu Mocheng has no money. You should cry."

"Will you?" said Suan

"Family money, did he spend it?"

Su Anan does not think that Gu Mo Cheng will become a pauper one day. A person who has the ability to lead the Gu family for ten years will not starve to death anywhere.

Because he has rich management experience, because he has ability.

Mujinyu may be that his small company is built on the funds of Mujia. It has been two years since the company was founded, but it is still not warm and hot, and there is not much potential.

The main point is that mujinyu is not good at character, and she married Su Zihan.

These two people live together very well. What's mujinyu's mind to manage his own business after that.

It has to be said that su'an's vision is far away. She saw the ending of Mu

Jinyu and Su Zihan.

After su an an said that Gu Mocheng had money, it fell into Gu Mocheng's ear word for word. He did not see Suan when he woke up. He simply washed and found him.

When he left the ward, he saw Suan and Madame Mu standing together.

Listen to suan'an saying that he looks after his money and that he will take care of people when he is old. He is not angry after hearing this, but he thinks that Suan's return is very interesting.

More and more Gu Mocheng felt that his little wife could not match the word "cute".

"Ann." He came out and said to Su Anan.

When su'an saw him, she immediately smiled. She ignored the surprised Madame mu, ran to Gu Mocheng, and said, "honey, I bought you steamed stuffed bun with soup."

"I heard it's delicious."

As she spoke, she waved the bag in her hand.

Gu Mocheng took the bun in her hand, put his arm around su'an's waist and walked towards the ward.

Madame Mu was stunned when she saw Gu Mocheng.

Gu Mocheng's lethality is not only limited to 17-8-year-old girls, but also to Madame Mu's surprise of his appearance and mature charm.

That kind of charm is not from the beginning, but through the precipitation of time, slowly accumulated in the body.

Then Madame Mu was surprised where Suan had found such a man?

She called him "husband". Is that Gu Mocheng?

Madame Mu saw happiness and sweetness from su'an's look at men. She was wise and clear. She didn't catch up with su'an and questioned her. How did she do something sorry to Mu Jinyu?

At the end of the day, it was her son who was the first to cheat, and they who were the first to apologize to suan'an.

Madame Mu returns to the ward with doubts in her heart. Su Zihan in the ward is watching the video with her mobile phone. Mu Jinyu on the bed is thirsty and wants to drink water. He calls Su Zihan and is ignored several times. He can only get the cup by himself.

Unable to hold the cup at all, the cup was smashed to the ground by Mu Jinyu, making a clear sound.

Su Zihan raised his head and looked at the pieces of the ground. "Brother Jinyu, what are you doing?"

There was some displeasure in her tone, and Mu Jinyu's face fell.

What is he going to do? He didn't call her many times. When Madame Mu came in, she happened to see this scene. She stared at Su Zihan coldly.

"Mom, pour me a glass of water." Said Mu Jinyu to Madame mu.

Madame Mu softened her face and poured a glass of water to Mu Jinyu.

Su Zihan holds her mouth, doesn't feel what she did wrong, and continues to play with her mobile phone on the sofa.

Madame Mu looks at Su Zihan. She is so angry that she bites her teeth. If her son marries Su An'an, she will definitely serve Mu Jinyu with all her heart.

When she thought about it, she said to Mu Jinyu, "I saw An'an outside just now."

Hearing the name of Su An'an, Mu Jinyu came to the spirit and asked anxiously, "what's wrong with an? Is she ill? "

What disease did su'an get in hospital? Madame Mu forgot to ask. She was busy saying good words for mu Jinyu. Seeing su'an's good spirit, she didn't think of su'an's illness.

"I don't know. It should be OK." Said Madame mu, who was in a hurry to get out of bed and look for shoes.

"Where is she? Mom, you take me over to have a look. "

After mujinyu's words, Su Zihan smashes her mobile phone to the ground.

"Do you think I'm deaf?"

Hearing su'an's name from Mu Jinyu's mouth, Su Zihan is angry.

Shameless bitch, who can't seduce brother Jinyu, approaches Madame mu.

"Su'an, su'an, don't forget that I am the daughter-in-law of Mu's family." Su Zihan's annoyed voice said that Jiang Mei was not around. She could not control her temper when she came.

Seeing Su Zihan's anger, Mu Jinyu frowned, and Mu's wife's face sank down. Her eyes were full of disgust.

How come I didn't see Su Zihan's temper before!

They also think Su Zihan is gentle and generous, which is a tough woman.

"Zihan, An'an's mother saved Jin Yu's life. We are afraid that she is also normal." Explained Madame mu.

Su Zihan gave a cold hum, "is that right? Before you were going to send Suan to the police station, how could you not think of her mother's help? "

In a word, Mu Jinyu and his wife are embarrassed.

"I tell you, don't try to find Su An'an to come back. I'm Jin Yu's wife. If you make me unhappy, I'll tell my grandmother that your Mojia looks down on Jiang's family."

Su Zihan takes Jiang's family to threaten Mu Jinyu and Mu's wife. She is so angry that Mu's heart beats fast. She covers her chest and gasps heavily.

"No reason to make trouble." Said Mu Jinyu hatefully.

Madame Mu slowed down and said, "I don't want su'an to enter Mu's house even if I want to."

"I met Suan and a man just outside."

Who is that man? Su Zihan must be Gu Mocheng.
